TERMS AND CONDITIONS

UNDER NO CIRCUMSTANCES MAY SUNSHINECO DESKTOP COMPUTERS, MONITORS OR CAMERA EQUIPMENT BE USED ON BEACHES, SAND OR DUNES WITHOUT PRIOR CONSENT FROM MANAGEMENT.

CHARGES:

Equipment is charged on daily rates, which shall accrue from the time the equipment leaves the rental premises "Sunshine Co cc" until its return. Adjustments in charges will be made at the time the equipment has been returned, and full rental charges will apply to all damaged equipment until repaired or replaced. After hours and weekend openings for clients require a surcharge of R400 after 18h00 during the week and R600 after 20h00 on Saturdays, Sundays and public holidays.

INSURANCE:

The equipment carries compulsory insurance which is charged at 10% of the full day rental fee. If a half day rental has been pre-arranged, the full day insurance fee will still be charged. Should damage/theft/loss occur, the excess is payable by the Rentee. Excess is charged at 10% of the replacement cost of the item(s), subject to a minimum of R1 500 (ONE THOUSAND FIVE HUNDRED) for claims over R10 000.00 (TEN THOUSAND). For claims below R10 000.00 the Rentee is liable for full payment of the claim. If the Rentee has their own insurance, proof of adequate cover will be required prior to the rental.

Equipment outsourced from other companies will be subject to the specific companies' terms and conditions.

DAMAGED AND CLEANING CHARGES:

EQUIPMENT PERFORMANCE:

Qualified staff inspects all equipment before and on return of each rental. The Rentee must understand the operation and limitations of the equipment. Failure of such will not be accepted as a reason for non-payment of hiring fees. In the event of equipment failure, "SunshineCo cc" at its own discretion, can be held responsible ONLY for the rental charges and not the related costs.

COLLECTION/DELIVERY OF EQUIPMENT:

The Rentee shall be responsible for collections and returns of the equipment within the date/time agreed upon. Should the Rentee be unable to collect/return the equipment timeously and request a courier service, the Rentee will be responsible for all courier/freight costs. Should there be any delays, the Rentee shall be held responsible for rental fees and transport charges. Shipping, handling and transport fees are outside our costs.
